

Meet the Touchstone ABA Team

Sierra Savoie, MEd, BCBA, LBA, CABAS Teacher II

Sierra has been with Touchstone for 4 and a ½ years- she began as a line technician and became a BCBA in May of 2018. She currently works primarily in the Thibodaux location. She says, “I’ve always known I would help children in some way.” While earning her undergraduate degree in Psychology from Nicholls State University, she learned of ABA and decided to get her master’s degree in High Incidence Disabilities with a concentration in ABA.

Sierra loves being in a field that allows her to help children every day. Building relationships with her students and celebrating their achievements are what she finds so rewarding.

When she’s not at Touchstone, you might find her out exploring – she loves being outside, hiking, and spending time with her husband, son, and friends. She is also passionate about yoga and meditation. Along with all her professional credentials in ABA, she is also a certified yoga instructor!
