

Parent/Caregiver Survey

Parents and Caregivers,

If you have not submitted a Satisfaction Survey, *Please Do!* We value your feedback and need your input as we continuously strive to meet family needs and improve our services. If you have not received one, please email Angie Lanoux at alanoux@tc-aba.com for a survey.

February Annual Review Meetings

Every February, Touchstone ABA staff meet individually with each family to review client goals and objectives, past and current progress, transition plans, answer questions, or address concerns. Parents/caregivers are welcome to bring other persons that are significant in the client's life to the review meeting.

Krystal Patterson, RLT

Krystal has been selected as a Touchstone Superhero for her excellent work with Team Touchstone in New Orleans! She began working for Touchstone in November 2020. Her enthusiasm to learn and grow as an ABA line technician is evident in her quick completion of training quizzes, cooperation in feedback sessions with supervisors and application of effective behavior analytic tactics while working with her clients. She continues to meet with her supervisors in order to establish goals for herself and strives to accomplish each one. We are thankful for her constant dedication to her clients, families and the Touchstone New Orleans team as a whole! Thank you, Krystal, for all that you continue to do! Congratulations!
