

COVID-19 REMINDERS

Thankfully, Louisiana is experiencing reduced hospitalizations and new cases, according to the Office of the Governor (5/25/21). We are continuing to monitor and follow local and federal recommended guidelines to mitigate the spread of COVID-19.

Your loved one's health and safety remain our top priority. We are continuing to monitor all staff and client temperatures, wearing personal protective equipment, and sanitizing work spaces.

1. If your child exhibits any of following symptoms, he/she must receive medical clearance (note from medical doctor) prior to returning to Touchstone for ABA services:
 - Very stuffy or runny nose and/or cough
 - Mild sore throat (no fever, no known exposure to strep)
 - Headache
 - Mild stomach-ache
 - Fever
 - Loss of sense of taste or smell
2. If your child exhibits symptoms while in a center, we will call you for pick up. A medical clearance will be required to return to receiving services.
3. If your child has direct contact with someone that is COVID-19 positive, please contact Angie Lanoux at (985) 446-6833 immediately.

With recent reduced restrictions, we are looking forward to returning to our in-person group meetings in the coming months and offering session observations again! See Below.

*Thank you for your
understanding and cooperatin!*

In Center Session Observations NOW AVAILABLE AGAIN!

Parents, if you'd you like to observe your child's session, please contact Angie Lanoux to schedule. Center visitors will be screened for COVID symptoms and temperature. Masks are required.

Caregiver Webinar Series

We are in the planning stages for a series of webinars covering topics of interest for caregivers of persons with disabilities, such as financial planning, the IEP process, transition to adulthood... BUT we need your input! Call or email Janice with your suggestions: (337) 526-5231
