

Important Reminders for Families

In order to provide the most effective services possible and continue to meet the requirements of insurance companies, some of you may have received or will receive notices for updated documents.

- **LHCC Forms:** If you have Louisiana Healthcare Connections (LHCC) as a primary or secondary insurance carrier, you should have received a request to update/complete 2 documents – a *Caregiver Questionnaire* and a *Release of Information* consent form. If you are an LHCC member and have not received the forms or need assistance, please email Alexa at agautreaux@tc-aba.com
- **Comprehensive Diagnostic Evaluations (CDE):** Insurance companies are continuing to request updated diagnostic evaluations. You may receive a notice that your child’s evaluation needs to be updated if the most recent evaluation is more than 2 or 3 years old. We will provide a referral list and understand that wait lists for evaluations may be lengthy.
- **Insurance Changes:** Please let us know as soon as possible if there is any change in your insurance carrier. Having your child’s current insurance information is essential for continuation of services. Please let us know if you have any questions
- **Thank you for the opportunity to work with you and your child!**

Join us in person or online this month to share experiences and concerns and learn about behavioral principles and strategies that can help
